Dear Parent / Carer

Re: International Enrichment Programme

At South Hunsley Sixth Form, we have a strong international enrichment programme that involves many visits abroad. We appreciate that these trips are significant financial commitments, so we wanted to make you aware of all the international visits that will take place in 2024/2025.

Individual letters for each trip will be sent in the coming weeks, so you can register your interest and plan accordingly. The 2024/2025 programme is as follows:

- New York City Visit – October 2024 half-term. Deposits have already been collected for this visit.
- Ski Trip 2025 – Madesimo in Italy – February 2025 half-term - £1600
- Berlin History Tour for students studying History and German - £600 approximately
- CERN Visit, Switzerland - £600 approximately

Should you wish to discuss further details in person, please do not hesitate to contact me here at the school. You may leave an email with your contact details so I can contact you at a mutually convenient time.

Yours faithfully

Paul White
