Dear Parents / Carers

Re: Support Evening

Further to my letter of 8 February, I am writing to confirm details of our Year 11 Support Station Evening on **Tuesday 12 March from 5.30pm until 7.00pm**. The event will take place in our Sixth Form area in the refectory, classrooms Melton 1, Melton 2, L25 and L26. On the evening you will be able to park in the main school car park or Riding Bus Park and make your way to the main school reception and follow the signs.

On the evening there will be 'support stations' covering the following areas:

- Core subjects for English, Maths and Science
- The revision timetable and the Easter Booster schedule for all subjects
- Resources available to pupils to support revision
- Exam preparation and information
- South Hunsley Sixth Form Applications
- Wellbeing
- Revision strategies
- Special Educational Needs support
- Careers information and support with applying for apprenticeships*

* We know that some pupils are still looking to apply for apprenticeship opportunities this summer. If you or your child would like any help with finding or applying for an apprenticeship, our careers colleagues will be on hand to help. You can reserve a specific appointment with them on the evening using the attendance form below if you feel this would be useful.

There will be four talks on the evening, each of which is repeated once to give flexibility in terms of the time that parents, carers and pupils attend, and to allow you to select the sessions you feel would be most useful. Please use the link below to confirm your attendance at the event, and to request your place on any of our 4 talks.

| L25 | | L26 | |
|--------------------|---------------|--------------------|---------------|
| Maths | 17.40 - 17.55 | Revision/Wellbeing | 17.40 - 17.55 |
| English | 18.00 - 18.15 | Science | 18.00 - 18.15 |
| Revision/Wellbeing | 18.20 - 18.35 | Maths | 18.20 - 18.35 |
| Science | 18.40 - 18.55 | English | 18.40 - 18.55 |

To help with planning some additional revision for the Easter break, please find attached to this letter a copy of the draft booster programme. The Easter sessions are designed to supplement the classwork and revision that continue in school during and after the school day and pupils should speak to their teachers if they are unsure whether they should attend these. We continue to support all Year 11 pupils with our form time programme which is focused on revision.

As mentioned in our previous letter, we will also share as much of the information and resources from the event with parents and carers in an electronic brochure which we will share by email and on the school website.

Please use this link to confirm your attendance on the evening and to request spaces in the talks or for a careers or apprenticeship appointment:
