Dear Parents and Carers

Re: Ski Visit February 2023

Everything is going to plan for the ski trip to Montafon Valley in Austria in February 2023. Fortunately, there has been a lot of snow in our resort and it has been very cold so it might be worth thinking about taking plenty of layers.

I have asked your child if they can attach a picture of their GHIC and Passport picture page to the Team's channel, just in case anything happens, we do have a picture copy.

On the Friday 10 February, if students can arrive at school with their luggage and take it straight to the conference room next to the dance studio. Members of staff will be there and will collect in any medication, all passports and money (if they wish). The bags will be completely locked up for the remainder of the day. At 2.45pm students will leave lessons, collect their bags, visit the bathroom and promptly get onto the coach.

Nearly all students have paid the majority of the balance but there is a small sum outstanding. Please log in to your ParentMail account to view the balance and check you are fully paid.

If there are any changes to the medical information please can you let me know. Please complete the attached medical form as soon as possible,

During the trip we will look after student's money if they wish, and then on evening we will have 'the bank' open. If your child would like to do this please send money in a clearly labelled envelope.

We will be updating the PE Instagram page everyday with an update of how we are getting on and updates on the journey. We are expecting to be home at approximately 1.30pm on 18 February (this is a bit earlier than previously predicted).

For the journey the following recommendations are made:

- Drinks/ water bottle
- Packed Meal/ Money for food at the services (evening meal, breakfast and lunch), Snacks
- Books/Games/ iPad/ electrical devices (at own risk and your own insurance)
- Portable Charger
- Travel pillow, small pillow and blanket. Toilet bag with deodorant, toothbrush and toothpaste. Small change in Euro's for the toilets in Germany and Austria
- Ski Trip Hoodie

We are VERY tight on space for the coach so please do not overpack. You will have to sit with your hand luggage bag on the coach so just be mindful not to take too much.

If you have any questions regarding the visit, please email jo.sprakes@southhunsley.org.uk.

Yours Sincerely
