22 February 2023

Dear Parents/ Carers of Y11 PE students

Re: Year 11 PE Practical Assessments

There will be practical assessments for students in their three chosen activities on the 8 March, 9 March and the 10 March 2023. Please find attached a timetable with further details.

Attendance is compulsory as the grades achieved will be passed on to the examination body. It is essential that students arrive for their moderations in good time and with the correct equipment required to have the best opportunity for a good moderation, for example shin pads, correct football boots.

All students who are using an offsite activity must submit video evidence covering all core and advanced skills and competition, for example equestrian, swimming, golf and skiing by the 1 March 2023. Video clips need to be clearly labelled detailing the activity requiring moderation and students must make themselves easily identifiable by saying their name to the camera or indicate the colour of bib they are wearing etc.

The video format must be via USB or SD card only, not on a phone, an I pad or via e-mail. Guidance for these parameters can be found by clicking on the following link

[OCR GCSE \(9-1\) Physical Education J587 Guide to Non-exam Assessment \(NEA\) - Version 3 \(December 2021\)](#)

Period	Wednesday 08.03.2023	Thursday 09.03.23	Friday 10.03.2023
