Dear Parent/Carer

Re: Year 12 Geography Hull Visit

The Geography department is pleased to be able to offer your child the opportunity to participate in a visit to Hull City Centre. The provisional date of the visit is Friday 16 June 2023.

Your child's visit is designed to fit into the Edexcel Geography curriculum and will be an important part of developing the skills and knowledge required to achieve the best grade possible on their independent investigation. The visit is a key part of completing the A Level course, as a requirement of the course is an individual coursework project based on the collection of primary fieldwork.

During the visit students will complete a range of human fieldwork techniques to look at the different successes and issues regarding regeneration and we will use this to compare to other regeneration projects we have studied in lessons. Students will need to bring a packed lunch for this trip and will also need to wear suitable clothing, including rainwear, as we will be outside for the full day.

As a school we work to ensure that the costs of all our visits are minimised, so that as many students as possible can take advantage of these valuable learning experiences. In this case, to be able to offer the visit, we are requesting a contribution of £9 per student. If the level of contributions fails to cover the costs then the visit may be cancelled. Where this happens, all monies will be returned. **Otherwise, all deposits are non-refundable.** Students who are entitled to free school meals may arrange for a packed lunch to be provided for the visit (available upon request).

If you would like your child to attend this visit then please complete the attached slip and return it to Mrs Allison by Wednesday 24 May 2023. Please also complete the online medical form using the link below.
