Dear Parent/ Carer

Re: Year 7 Personal Development Week

I am writing to inform you that Thursday 13 to Wednesday 19 July 2023 is Personal Development week at South Hunsley. As you are aware, personal development is an integral part of a student's school experience. These days will include activities in school linked to personal development topics, as well as offering a range of extra-curricular activities and visits.

The week is compulsory for students to attend. The activities provided will allow students to develop the knowledge, skills and attributes that they need to manage their lives now and in the future. These skills and attributes help students stay healthy, safe and prepare them for life and work. It can help students achieve their academic potential, and leave school equipped with skills they need.

In order to participate in extra-curricular activities, we are offering visits to enhance your child's experience during PD week. Each year group will have a visit day and an opportunity to attend one trip. There are a number of choices for students choosing a visit and we will offer students the opportunity to put their choices in preference order should they wish to attend a visit. These dates are provisional and could be subject to change based on availability. Students who opt not to attend a visit, will remain in school on their trip date.

Please see below your child's visit date and the trips available.
