Re: Year 13 Maths Boosters Wednesday 31 May and Saturday 17 June 2023

Dear Parent / Carer,

We are in a position to invite all Year 13 Maths students to attend some extra maths revision sessions.

We have chosen the Wednesday in May half term as this is before their first exam and many students won't see their teachers between returning to school and their exam on 6 June. We have chosen Saturday 17 June as this is three days before the final maths exam. This gives us a great opportunity to revise some key topics at a crucial time, having seen the content already examined on the first two papers.

Students should arrive at school for a 9.30am start. This will run till 12.30am.

On the Wednesday afternoon, there will also be a Further Maths revision session from 1.00pm until 3.00pm.

Yours faithfully,

Alex Merrills
KS5 Curriculum Lead for Maths
