4 July 2023

Dear Parents/ Carers

**Re: Year 8 Support Materials**

Further to our communication last week relating to NEU strike action, we have no choice but to close the school to Year 8 students on Wednesday 5 May and Friday 7 May. The school will be open as normal to all students on Thursday 6 May.

Please find below resources and materials that students can complete at home that are matched to our current curriculum. These resources and more are always available for students who are working at home on the Limitless Potential pages of our school website here: <https://southhunsley.org.uk/limitless-potential/>.

**English**

Next year, students will be studying Shakespeare's A Midsummer Night's. In preparation, students should visit Oak Academy and complete lessons 1 and 2 (see link below).

<https://classroom.thenational.academy/units/a-midsummer-nights-dream-shakespeare-introduction-and-act-1-2912>

**Maths**

The maths curriculum is currently covering geometry and triangles – Year 8 Unit 6. Our Limitless Potential pages have links to Hegarty Maths and Oak National Academy resources that cover a progression of exercises on probability. Students should access the Maths section of the Year 8 page on our school website and complete the videos and tasks for the most recent shapes they have covered in their maths lessons here:

<https://southhunsley.org.uk/limitless-potential-year-8/>.

**Science**

Students are on the Waves topic. Students should complete the lessons for the most recent area that they have studied in lessons. These topics as well as all topics that have been studied this year are available here: <https://southhunsley.org.uk/limitless-potential-year-8/>

Students can also use their time to complete any homework they have. This can be found on Teams and includes the English and maths work that is set as standard every week. Additionally, students may want to use some of their time to continue with their current reading book.

Please note that students who would normally receive a free school meal will receive a top up of £6 on their account.

Thank you for your ongoing support.

Yours faithfully
