Dear Parent/Carer

Re: Level 2 Certificate in Further Maths

Your child is currently enrolled on the Level 2 Certificate in Further Maths as an additional subject this academic year. This will be taught in classes for one session per week and all classes will be held after school.

We are aware that there are many activities that pupils participate in and, in order to prevent this class impacting on any other commitments, please visit this link <https://forms.office.com/e/iunqaBPRki> and complete the form indicating the preferred day for your child's class. Please take into account any extra-curricular activities that your child takes part in when selecting the day of your preferred class. We will make every effort to accommodate your selection, but we cannot guarantee a place in your most preferred class. Please complete this form by **Friday 15 September 2023.**

Alternatively, if your child no longer wishes to continue studying Further Maths, please contact me by email at Hannah.Reed@southhunsley.org.uk stating your child's name and form and that you would like them to be withdrawn from the course.

If you wish to discuss this further, please do not hesitate to contact me.

Thank you for your support.

Yours faithfully

Miss H Reed
Director of Maths
