Dear Parent/Carer

Re: Level 2 Certificate in Further Maths

I am writing to inform you of the option for your child to study the Level 2 Certificate in Further Maths as an additional subject this academic year. I am sure you will be aware of this qualification and may have expressed an interest in Further Maths when completing the options form last academic year with your child. This course will be taught in addition to your child's option subjects and will be delivered in classes once a week in after-school sessions. Upon successful completion of the course, your child will gain the equivalent of an additional GCSE at the end of Year 11.

The Level 2 Certificate in Further Maths is aimed at pupils who are expected to achieve a grade 7, 8 or 9 in GCSE Maths and who are likely to progress to A Level Maths and Further Maths. With this in mind, any pupils that are not in groups 1, 2 or 3 for Maths may find some of the concepts in the course very challenging. We are more than happy to allow these pupils onto the course, but we encourage them to ask for support as soon as they feel they need it.

It is important to remember that a high level of commitment to this course is required and this lesson will be added to your child's timetable. There is the expectation for work to be completed in pupils' own time, as with homework or assignments in all subjects at South Hunsley School. Attendance is important, and failure to attend the after-school sessions will affect their attendance.

There are many extra-curricular activities that pupils participate in and, in order to prevent this class impacting on any other commitments, please visit this link <https://forms.office.com/e/UTbyULFCBM> and complete the form indicating the preferred day for your child's class. Please take into account any extra-curricular activities that your child takes part in when selecting the day of your preferred class. Every effort will be made to accommodate your selection, but I cannot guarantee a place in your preferred class. Please complete this form by **Friday 15 September 2023**.

If you wish to discuss this further, please do not hesitate to contact me via email at Helen.Reed@southhunsley.org.uk.

Thank you for your support.

Yours faithfully
