

To Parent/Carers of All Pupils

Our Ref: 87560122

21 September 2023

Dear Parent/Carer

Re: Change Makers Launch

South Hunsley School is committed to promoting equality, diversity and inclusion throughout its practice and creating a safe inclusive environment for all pupils and colleagues. To support the effective development and implementation of the school's equality, diversity and inclusion strategy, we would like to invite pupils to join a collaborative working group, named the Change Makers.

The Change Makers will:

- Raise awareness of and provide advice on issues of equality, diversity and inclusion
- Highlight areas for action to representatives of the Senior Leadership Team and the Lead for PSHE
- Support the development of an equality and diversity action plan
- Champion equality, diversity and inclusion throughout the school

The Change Makers will reflect a broad cross-section of experiences, backgrounds, knowledge and interests. The group will meet once a week during form time. The Change Makers group is open to all pupils.

If you would like your child to participate in the Change Makers, please submit their expression of interest by completing the Microsoft Form by **25 September 2023**
<https://forms.office.com/r/KsuLc3mpKM>

Yours faithfully,

Whitney Bower
Assistant Headteacher of Pupil Experience
