Dear Parent/Carer

Re: Year 10 English Revision Packs

The English department would like to offer the opportunity for our Year 10 pupils of English Literature and English Language to purchase all the revision guides and set texts they will need to help them prepare for their Year 11 exams in these subjects.

The revision texts are sold as a pack; please find details of which editions are included on the next page, in case you wish to purchase a selection of these books independently.

The York Notes study guides have been selected because they give pupils all the information they need to support them achieving a grade 5, but also the extra guidance that will help those pupils striving for an 8 or a 9.

We have chosen these editions of the set texts because they are ideal for annotation and have very clear text. The edition of Romeo and Juliet also includes a glossary next to the corresponding page – our pupils have found that this really helps them to grasp the more challenging Shakespearean passages. Pupils are encouraged to bring these texts along to lessons, so they can use their personal copy to make notes ready for revision.

Orders should be placed with our Finance Department. The total cost of the pack is £41.67.

The revision guides and texts will be delivered via the pupil's class teacher, so pupils don't need to do anything once you have placed an order.

If you have any questions, please get in touch via email at Richard.Buckle@southhunsley.org.uk.

Yours faithfully

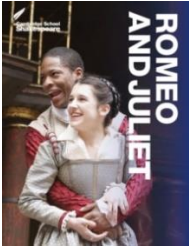

Richard Buckle
Head of English

Contents of the revision pack:

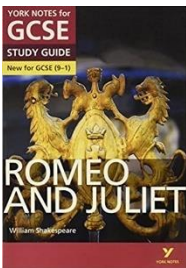

Romeo and Juliet

Text: Cambridge School Shakespeare (paperback)

ISBN: - 978-1107615403

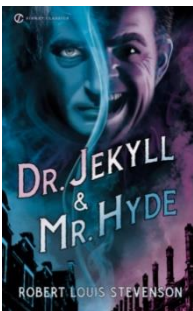

Revision guide: York Notes **Study Guide** (red cover, not blue)
