Re: PD Core Entitlement Review

Dear Parents / Carers

We are excited to offer a range of co-curricular opportunities and extra-curricular clubs for pupils to participate in this year. Our core entitlement and enrichment opportunities are designed to take students outside of their comfort zone, open their eyes to their limitless potential as they show determination, resilience and courage to develop an appreciation of their role within the local, national and global community.

Core Entitlement

Our core entitlement embodies what it means to be part of South Hunsley School and Sixth Form. Through these experiences pupils develop confidence, leadership and a sense of community. Every pupil is entitled to these opportunities and as a school we have made a commitment to encouraging full participation in our core entitlement.

Enrichment Opportunities

Our enrichment opportunities offer pupils the option to develop their passions and talents for the creative and performing arts, sports and other subjects through extra-curricular activity or further study, whilst our pupil community groups drive positive change. Our rich and diverse extra-curricular timetable can be found on the school website and updates will be shared throughout the academic year. <https://southhunsley.org.uk/files/uploads/2023/10/Opportunities-and-Experience-Charter-SHS-full.pdf>

Leadership

Through our Student Union, pupils have the opportunity to apply for pupil leadership roles in the three key stages. Our pupil leaders act as a voice for all pupils, gathering information from their peers and feeding back on key issues. Our pupil leaders drive positive change focusing on pupil experiences.

In the summer term we recruited the Head Students for this academic year and we are working towards recruiting Year Captains from Key Stage 3 and Key Stage 4. In the coming weeks, ahead of the half term break, information will be shared in assemblies and through tutor time on how pupils can nominate themselves for the Year Captain roles. Expressions of interest in the Year Captain roles can be shared here: <https://forms.office.com/e/ExSekh050P>

The deadline is Friday 10 November.

The Hunsley Award

Pupils in Year 7 and Year 8 will complete the Hunsley Award in Community and Personal Studies lessons. The Hunsley Award allows pupils to reflect where they have demonstrated our school values and can celebrate contribution and excellence beyond the classroom. Pupils can record enrichment activities they have participated in school and outside of school. Pupil enrichment achievements will be shared through the year.

Support

If any pupils need any support to increase their chance of participating in any of or co-curricular and extra-curricular activities and opportunities please contact your child's Head of Year.

Yours faithfully

Miss Bower
